

23-05-2017: Verona scores a promotion within just one year of joining cadet championship

Nova Systems celebrates the return of Hellas Verona to Serie A

IT company is an Official Supplier to the club

The city of Verona has awoken in Serie A. **Hellas Verona FC has achieved the promotion** within just one year of joining the cadet championship. **Nova Systems**, a long-standing supporter of sports, started supporting the team this year. The partnership has paid off immediately with great results. Nova Systems CEO Valerio Avesani and all the team's staff would like to send hearty congratulations to Hellas Verona FC for the fantastic promotion to Serie A.

Nova Systems wish to share the emotional statement made by Hellas FC president Maurizio Setti: *"This was a tough championship with well-earned results. For the fans, and for the whole city, people who deserve a Serie A team. From here, it's onwards and upwards"*.

Next year Nova Systems will also be supporting **the team and the city in their ambition** to come back even stronger.
